UNMASK YOUR SUPERPOWER QUIZ

# **TEAM MEMBERS**

**SAHIL BANSARI**

**GAURAV VISHWAKARMA**

**PARTH SHARMA**

**SANJANA KUMARI**

**TANUSHKA PAWAR**

**ATHARV WAGH**

# INTRODUCTION

- This quiz is designed to uncover your unique strengths and talents, helping you to unleash your full potential and embrace your inner superhero.
- Throughout this quiz, you'll be presented with a series of thought-provoking questions and scenarios. Take your time to ponder each question and answer honestly. There are no right or wrong responses, only insights waiting to be discovered.
- Once you've completed the quiz, you'll receive your personalized superpower profile, revealing the hidden talents and abilities that make you truly exceptional. So, are you ready to unlock your superpower?

# LITERATURE REVIEW

## 1) Guess the Movie :

Guess the Movie is an online game made in 2021 that lets you guess the name of movies based on posters. The game has a variety of popular posters, trivia, and quotes about movies. You can also ask friends on social media, and you can play on the App Store or Google Play

## 2) Akinator:

Akinator is a video game invented in 2007 and developed by the French company Elokence . During gameplay, it attempts to determine what fictional or real-life character, object, or animal the player is thinking of by asking a series of questions. It uses an artificial intelligence program that learns the best questions to ask through its experience with players

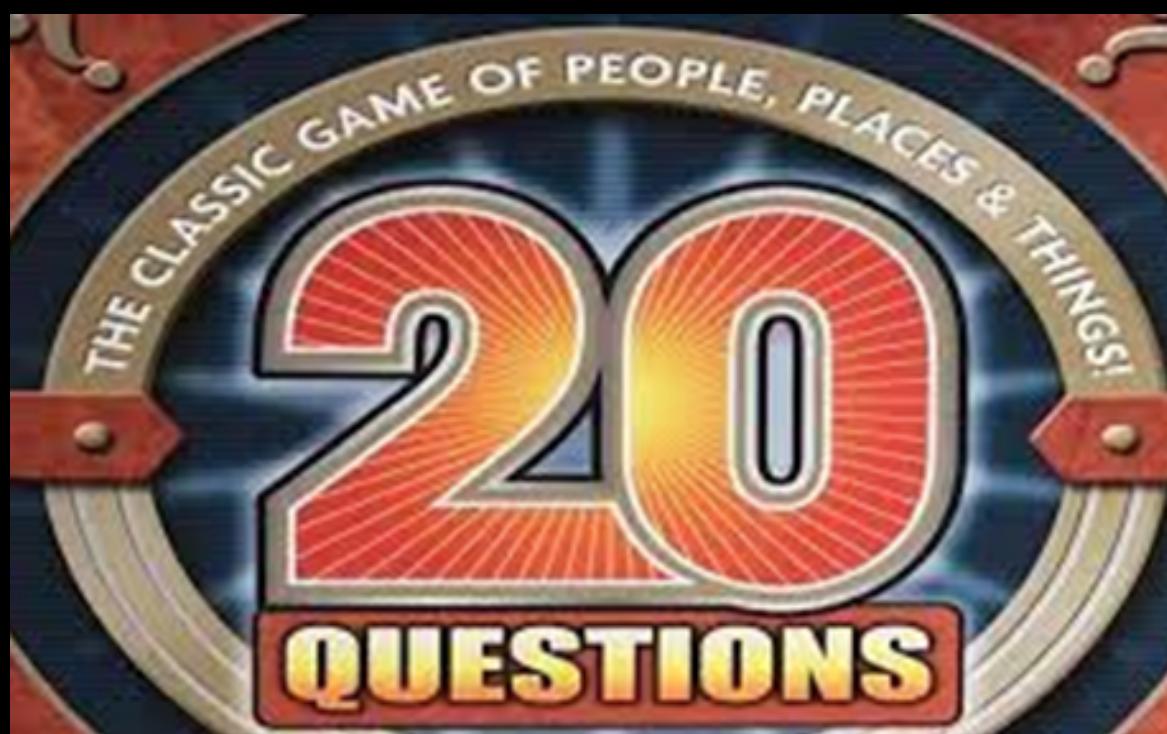

### 3) Wordle:

Wordle is a free, online word game made in 2021 where players have six tries to guess a five-letter word. After each guess, the game provides feedback about the guessed word using color-coding:

Green: Correct letter in the correct position

Yellow: Correct letter but in the wrong position

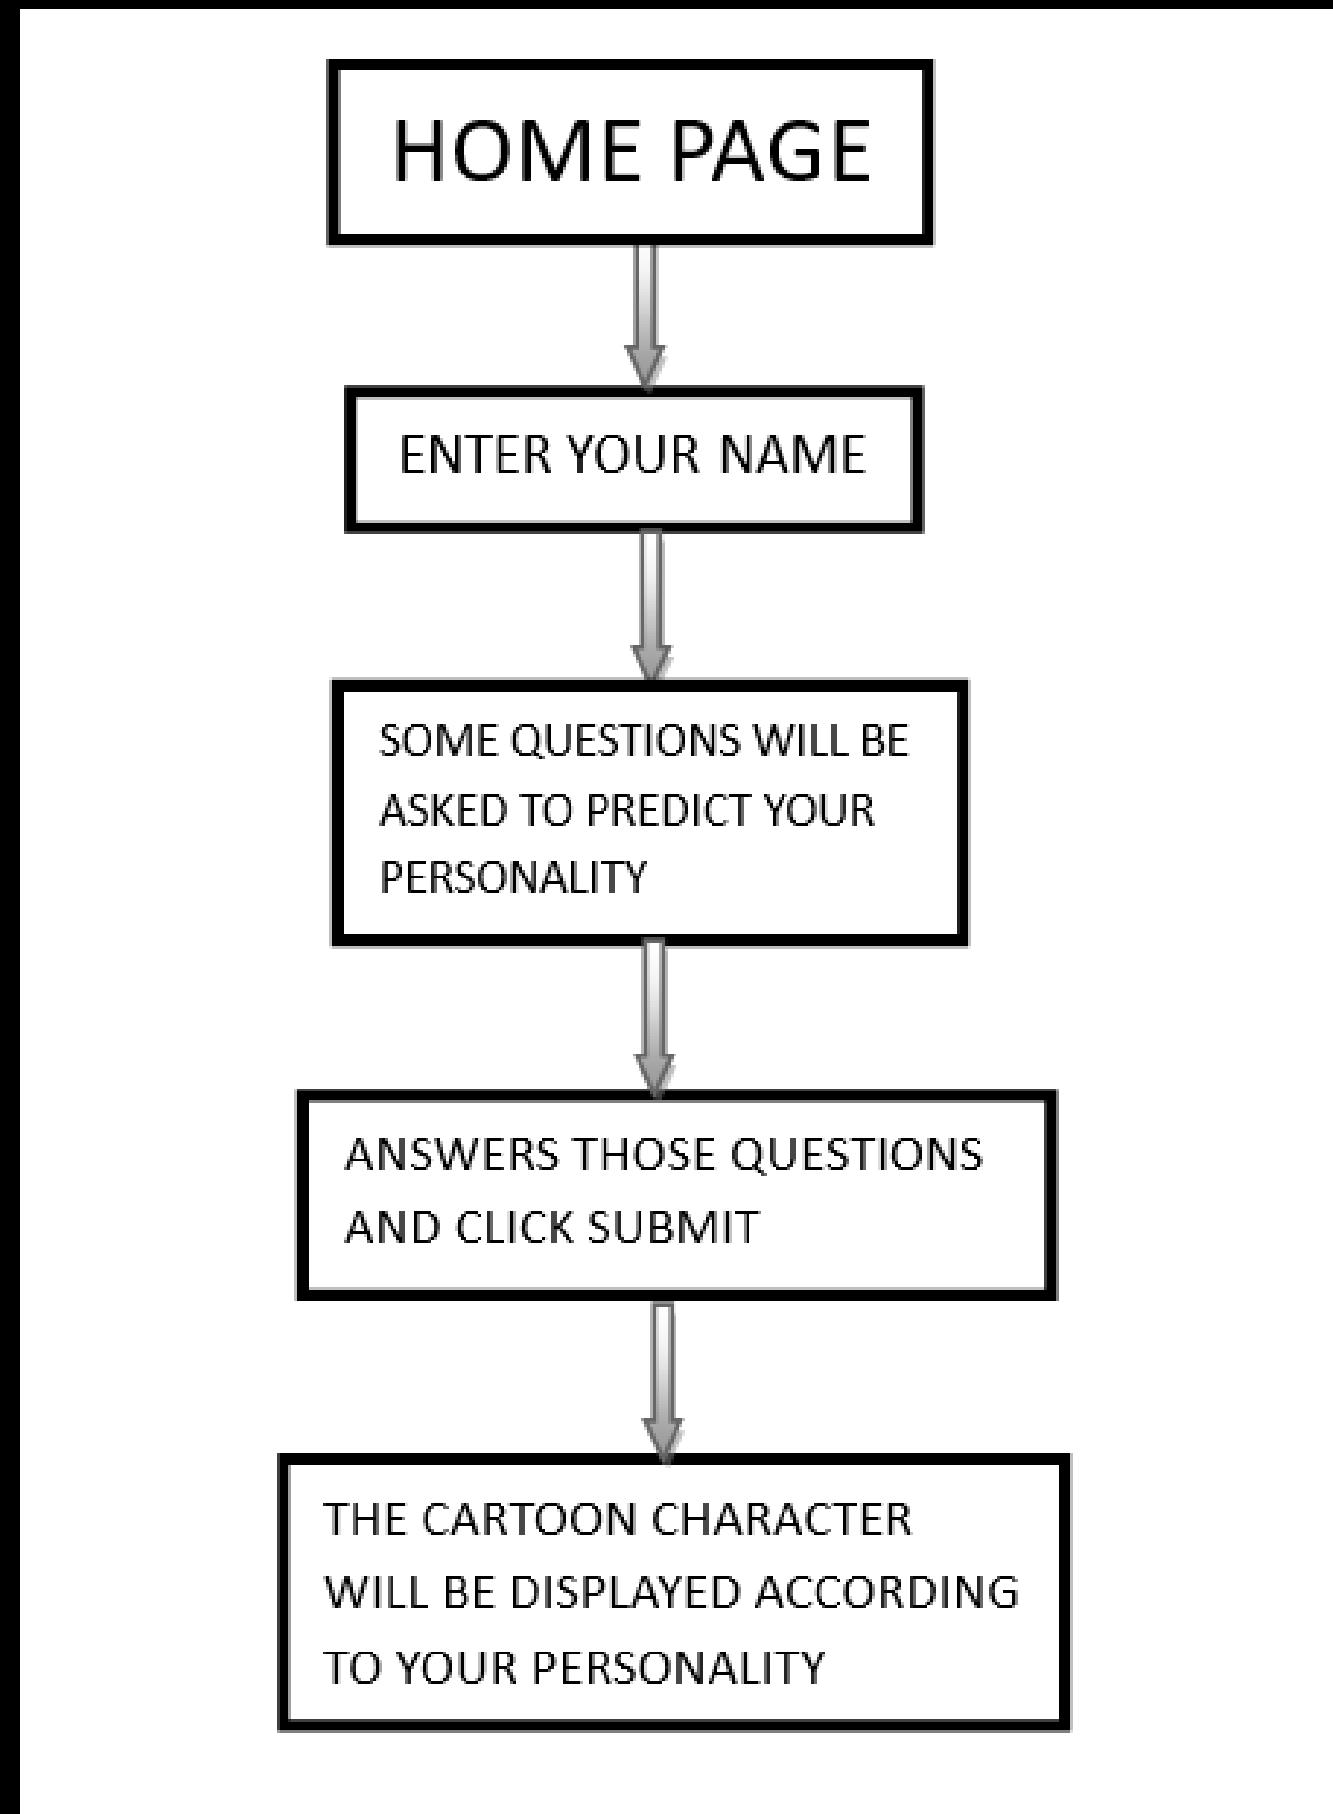

Grey: Incorrect letter and in the wrong position

### 4) 20 Questions:

This classic game is similar to Akinator in that you think of a person, place, or thing, and the other player tries to guess it by asking yes-or-no questions. There are many online versions of this game. The 20 Questions game is a fun and educational way to develop critical thinking and problem-solving skills.

# PROJECT ARCHITECTURE

# IMPLEMENTATION DETAILS

**User-friendly Interface:**  
Use clear fonts, readable colors, and appropriate spacing for a clean look.

**Leaderboards and Scoring:**  
Implement leaderboards to foster competition and provide a sense of achievement.

**Regular Updates:**  
Keep the quiz content fresh by regularly updating questions and adding new categories.

# FUTURE SCOPES

- **Personal Development Plans:** After identifying a user's strengths and talents, the app could generate personalized development plans to help users further enhance their skills.
- **Team Building and Collaboration:** In a professional or educational setting, the app could be used to build stronger teams by identifying complementary strengths among team members.
- **Career Guidance:** The app could provide insights into how a user's strengths align with different career paths and industries.
